

Design a scarf or tie

The class has been set a challenge by English Heritage. Can you design a scarf that reflects the life and times of Lady Anne Clifford? (An alternative to a scarf could be a tea towel or tee shirt.)

During your studies of Lady Anne you have examined pictures, objects and paintings from the seventeenth century. Use these in your design.

Different groups may wish to select their own object to design.

Start with some ideas on paper and then decide how you will produce your finished article.
